

Fire Warden Training

Who should attend?

All staff.

Course duration

1/2 day at venues throughout the UK.

What is covered in the course?

- *Principles of Fire*
- *Fire prevention measures*
- *Classes of fire*
- *Extinguisher types*
- *Other fire equipment*
- *Actions in the event of fire*
- *Managing evacuations*
- *Practical demonstrations*

Certification

All candidates receive a certificate of competency.

Note: This level of training should be given to all staff in the workplace and meets the legal requirement to provide a duty of care to employees. Training is tailored to the individual evacuation and fire plan for each customer. This training can be enhanced with the Fire Marshal's course which is designed for those who have an active role in managing fire situations.
